### Message From the District II Director to LULAC Councils:

I am looking forward to working with all District II councils. I want to let you know that you have my support to represent the Hispanic community in the areas of civil rights and education.

It is also important to be vigilant in the new legislation put out by lawmakers that affect Hispanics in immigration, funding for our schools, the dropout rate, and discrimination. LULAC councils need to continue to develop fundraising projects in the communities and on a regular basis to promote LULAC and to demonstrate to the community that we care. We should make ourselves vibrant in the eyes of those that we represent. The legacy of LULAC shall continue going forward with our hard work and efforts to accomplish the goals and objectives of LULAC. I will be putting up information in the coming newsletters with news of LULAC State and National as it comes across my desk. I encourage all councils to do a voting registration drive by going to their local H.E.B.'s or Wall-Mart's to request permission to set up a table to register voters. If any councils have local news in developing projects or pictures of completed projects please e-mail them to me at [mariogonzalez\\_gg@yahoo.com](mailto:mariogonzalez_gg@yahoo.com) or mail them to me to 401 Durango, San Marcos, TX 78666. You can contact me at my home, 512-353-2033 or my work, 512-381-4211. You also have the services of our LULAC Legal Advisors, Juan Calderon, Attorney and Rodrigo Crispin, Litigation Administrator at Law Office of Juan Calderon, 600 Division Suite D, San Antonio TX, 78214, office 210-924-9186 or fax 210-924-9187. As a closing remark, I encourage each LULAC council to develop an El 16 de Septiembre project. This day is part of our culture and our heritage, and because of this our annual celebrations should continue. I look forward to continue to work with you and provide you with the support that you need.

“ALL FOR ONE... AND ONE FOR ALL!”

-Mario Gonzalez
